Telephone Conference with Examiner

On June 30, we discussed the posture of this application in view of the Decision on Appeal with Examiner Tri Nguyen.

Request for Allowance

In the Decision on Appeal of June 8, 2010, the Board of Patent Appeals and Interferences reversed the rejections of claims 1-10. As such, claims 1-10 are patentable over the cited references. The Board sustained the rejections of claims 11-25. Claims 11-25 are cancelled herein. Only patentable claims 1-10 remain pending. Therefore, it is submitted that the application is in condition for allowance. Allowance at an early date is hereby solicited.

The Examiner is invited to call the undersigned attorney to answer any questions and to discuss additional steps necessary for placing the application in condition for allowance.

Respectfully submitted,

Mark Andrew Goldstein
